## About Me

I My name is Zoya Javed, and I am proud to call the beautiful valley of Kashmir my home. My educational journey began at Allama Iqbal Model School, where I completed my Matriculation. Building on that foundation, I moved on to ICMC College, where I successfully passed my two-year Intermediate program. I am looking forward to the next steps in my career and education.

## Career

- I have professional experience working in a call center environment. My primary role involved using Avatar technology for customer engagement, ensuring clear and consistent communication.
